LICENSURE BY EXAMINATION OR SCORE TRANSFER - Updated 9/8/2014

License candidates by examination or score transfer must fill out a Kansas Licensure Application. The application is on the Kansas Board of Pharmacy web site at <http://pharmacy.ks.gov/licensing-registration/pharmacists> under the link for "Licensing & Registration." The link is called "Application for New Pharmacist Licensure" and the application is titled "Application for Licensure by Examination." This is for applicants who will be taking the NAPLEX or are score transferring their NAPLEX to Kansas and are taking the Kansas edition of the MPJE. Generally, the application is for new graduates from pharmacy school or foreign educated graduates.

The application requires a \$40.00 check or money order made payable to the Board of Pharmacy. The application must be notarized. You must also turn in 1500 Intern Hours. If you received your Intern Hours from another state you must have the Board of Pharmacy from that state transfer your hours to Kansas. **You must have 1500 hours.** A color photo of yourself, including the head and shoulders, must be included that is dated no more than 60 days prior to application.

To register for the Kansas MPJE or the NAPLEX go to the NABP web site at www.nabp.net to the link titled "Students". Sign up to take the NAPLEX and the MPJE for Kansas.

Kansas statutes and regulations can be found on the Kansas web site at <http://www.pharmacy.ks.gov/> under the link titled "Statutes and Regulations". You may prefer to purchase a Kansas Pharmacy law book and CD through the Kansas Pharmacists' Association at info@ksrx.org or phone them at (785) 228-2327. Study materials, other than the law book, may be purchased from Barb Woods at the University Of Kansas School Of Pharmacy. She can be contacted at bwoods@ku.edu.

Before you can receive an Authorization To Test (ATT) number, you must be registered with NABP AND the Kansas State Board must approve your access after they have received a complete application. Once that is completed you may apply for the Kansas edition of the MPJE and the NAPLEX. You will receive an (ATT) number from NABP. The ATT number is used to schedule your MPJE and NAPLEX with Pearson Vue. Pearson Vue locations and scheduling can be found on the NABP web site under the link for "Confirm or schedule a NAPLEX or MPJE appointment".

Results of the NAPLEX and MPJE examinations for candidates seeking licensure will be provided by NABP and the Board will send a copy of the results when licensure is completed. Scores are listed according to the Candidate's Testing ID number, which is assigned by the NABP testing administrator. Candidates need to write down the ATT

number as the ATT is retained by the testing center. Scores are released to the boards anywhere between two to ten business days from the date the candidate sat for the exam. Scores will not be given out over the phone. Do not lose your ATT number. The Board does not have access to that information. If you do not pass the MPJE you must wait a minimum of 30 days to retake the examination. If you do not pass the NAPLEX you must wait a minimum of 91 days to retake the examination. You must go to the NABP web site and sign up to retake those tests if you do not pass. The NABP web site has additional information in the Registration Bulletin.

If you have any questions regarding licensure by examination/score transfer contact the Board at their email address of pharmacy@pharmacy.ks.gov.
